CRC May Tree Planting Events

Sunday, April 19, 2026 11:26 AM

Hi CRC Supporters,

We have three tree plantings in May. Can you help at any or all of these events?

These events are on Saturday mornings from 8:45am-12:00pm:

- 5/2 at Okehocking Preserve in Newtown Square
- 5/16 at Indian Orchards in Media
- 5/23 at Upper Providence Preserve

We also want to let you all know that the annual Delco Gives fundraiser is underway, and CRC is one of the participating charities!

Clean water starts close to home. So does Delco Gives!

Delco Gives is simple. More donors mean greater impact for CRC by giving us a higher share of the sponsor funds. This fundraiser is not about how much - it's about how many. The more people who give, the further every dollar goes.

Give \$10. Help CRC earn more. It's that simple.

You can read about Delco Gives and donate to CRC at this link:

Thank you for your dedication and ongoing support of the CRC mission to protect and preserve our watersheds!
